Building 1506 25701 South St
Selfridge ANGB MI 48045-4933

SUBJECT: Letter of recognition to KYWG personnel

1. All CAP units are required by CAP regulation to submit an annual asset questionnaire. As of this date, KYWG has distinguished itself as having the highest percentage of reporting compliance of any wing in the nation. This is another indication of how KYWG personnel continue to sustain superior performance across the spectrum of CAP activities and responsibilities.

2. This level of performance demonstrates the superior leadership of Col. Heaberlin and the KYWG unit commanders. Thank you for your hard work and dedication.
